

United States Department of State

Washington, D.C. 20520

JUL 30 2010

Dear Mr. Chairman:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed technical assistance agreement to include the export of defense articles, to include technical data, and defense services in the amount of \$50,000,000 or more.

The transaction contained in the attached certification involves the transfer of defense articles, to include technical data, and defense services to support the Proton launch of the Nimiq 6 Commercial Communication Satellite from the Baikonur Cosmodrome in Kazakhstan.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in black ink, appearing to read 'Matthew Rooney', written over a large, stylized circular flourish.

Matthew Rooney
Principal Deputy Assistant Secretary
Legislative Affairs

Enclosure:

Transmittal No. DDTC 10-069

The Honorable

John F. Kerry, Chairman,
Committee on Foreign Relations,
United States Senate.
